

Road Inspection – 2023 Summary Report

Avon Township roads were inspected on April 15, 2023 by Supervisors LeRoy Gondringer, Chad Klocker, and Rich Sanoski. They were accompanied by Joe Koopmeiners and Sheldon Tschida. Clerk Stephen Saupe recorded minutes. Gondringer called to order the road inspection meeting at 9:00 AM. Members present drove in a single vehicle, with the exception of Koopmeiners who drove separately because he needed to leave early.

All roads in the Township were driven and notes were made regarding road status. Each road was given a rating (5 = good shape, no significant work required; 1 = poor shape, needs overlay) and notes were made about the condition. If the condition was rated between, say 1 and 2, then 1.5 was recorded.

At 12:31 PM Sanoski moved to close the annual inspection of township roads. Klocker second. All in favor. Motion carried.

The notes are appended below and a summary follows.

Summary of Road Inspection Results – 2023		
Noted Road Quality (5 = best; a score of 0.5 was rounded up)	5 (excellent)	16
	4	14
	3	16
	2	10
